# SUCCESSFUL BONSPIELS BY LADIES AND MEN'S CLUBS

In democratic countries such as Canada it is the privilege of the members of the Commons to air any grievance before voting money. On Monday when the leader of the Govt. moved "that the Speaker do now leave the chair for the house to go into Committee of Supply" Mr. McKenzie moved that all the words after "That" be struck out and there be substituted, therefore, these words "This House regrets that no constructive policy has been presented to cope with the wide spread unemployment. This is a want of confidence motion and if carried the Government would resign."

It was pointed out that 1,297,244 Canadians were not on direct relief and that many others were destitute and getting help from friends.

The speaker advocated the setting up of a national Council to give uniformity all over Canada in relief administration. A large construction programme, a monetary policy and lower tariffs to promote exports to other countries was also urged. Mr. McKenzie pointed out that there was \$10,000,000 worth of gold, therefore 40 million dollars worth of currency could be raised. Also it was valued at \$25. per ounce instead of \$20.90 the amount found to be 770 million. The amount authorized was 50 million and only 35 million in actual circulation.

In the lone white wastes of Canada's far north, a small band of brave men, headed by a layman, A. Behr, have for five long years been guiding 3000 reindeer from Western Alaska to the delta of the Mackenzie. They have been trailed relentlessly by wolves, separated and stampeded by migrating herds of Caribou, delayed by violent storms and held up by difficulties in crossing great rivers. The Minister had received word this week that the herd had crossed the Mackenzie with few casualties. These animals mean life to the Indians, a most valuable source to quiver the food animals but to conserve them for use in periods of famine.

## COMING EVENTS

Chester Sports Club Dance Friday, March 29.

The regular monthly meeting of the Calgary Woman's Conservative Association will be held Tuesday, March 5, at 3 p. m. in the Blue Room of the Palliser Hotel. Speaker Mr. W. Kent Fowler. Subject—Unemployment Insurance. All ladies interested are cordially invited.

Wednesday, March 12 regular meeting of the Sorosis Society.

Wednesday, March 27 at 8 p. m. Bridge party in Memorial Hall in aid of School Sports Fund.

## MRS L. DEWITT HONORED

Mrs. S. C. Sorenson's home was the rendezvous for about twenty ladies Saturday afternoon last when they gathered in honor of the seventieth birthday of one who has been a resident of Strathmore for fifteen years, Mrs. L. DeWitt. Greetings and best wishes for many more years of beautiful activity were extended Mrs. DeWitt and all enjoyed a happy social hour.

A flower adorned table with an exquisite hand made linen cloth with the finest of drawn work made by Mrs. Sorenson's sister in Denmark was greatly admired. The birthday celebration was the birthday cake of the date 1865-1935, clearly written on in pink ink.

Seated at the table were the guests who included Mrs. DeWitt, Mrs. Peterson, Mrs. Ashley, Mrs. Smith, Mrs. Gledhill, Mrs. Zerkie, Mrs. Collins, Mrs. Hirtle, Mrs. Sorenson, Mrs. E. Wright, Mrs. Whitelide, Mrs. Keel, Mrs. North, Mrs. Sorenson, Mrs. Brown and Mrs. A. Moore. Others up

Occasionally in the home and at most constantly in the lobbies and room discussions take place on many affairs. Though the cry of those who distress has been heard all down through the ages, it has usually been considered that poverty was one of the inevitable human conditions and that it was the duty of each to do as best he could and make the best of it around it. Recently the feeling is growing that it is a curable evil and this is one of the greatest advances in thought of the present.

There has been an all around anxious scrutiny of the economic structure of the nations and the result has been to reveal a chaos of opinion even among experts. Mr. Hoover evokes changes—no brain trust for another when results are not those hoped for. Accurate knowledge is needed to start with and that is hard to acquire with the unending evolution that is going on. In harmony with the rapidly growing sentiment steps are even now being taken to make for a more even distribution of wealth to bring poverty in the midst of plenty.

Sincerely, F. W. Gerhart.

## ARDENODE

A very happy evening was spent last week at the home of T. and Mrs. T. J. Koch the occasion being Mr. Koch's birthday. He has passed one more milestone and now reaches the good old age of seventy five years (and feels like sweet sixteen). The neighbors gathered around him, sang him a song, and by the hand and wished him very many returns of the day. Music was enjoyed and many tales were told. Then Mrs. Koch in her usual manner served a most appetizing repast. Mr. Koch had quite a time blowing his candles out but he wouldn't say so so they went. Mr. Koch wished his many friends adieu, and now is looking forward to his next milestone.

Mr. and Mrs. Frank Pavick spent the week end in Wayne.

Mr. H. Smith spent a couple of days in Canmore, last week visiting friends.

What might have proved to be a serious accident "but ended happily" happened one night last week to Mr. and Mrs. T. J. Koch. Mr. Koch was returning home he saw another car approaching the crossroads. Mr. Koch slowed down and apparently the other car did the same. Mr. Koch started up again and the other car did likewise. The result was Mr. Koch being injured and the other car did likewise. The result was Mr. Koch being injured and the other car did likewise.

Quite a few people attended the social credit meeting last Saturday evening at Nightingale. The question being asked, when is Ardenode going to have a speaker, they are buying soon.

Men still die with boots on, but frequently one boot is the accelerator.

Mrs. A. Holt of Bolton, England, arrived Tuesday morning on a special visit, with her father, Mr. W. E. Mercer.

The final card party arranged by the Conservative Ladies Club was held Monday evening at the home of Mrs. T. B. Hughes, when a very enjoyable time was spent in and around it and make the best of it around it. Recently the feeling is growing that it is a curable evil and this is one of the greatest advances in thought of the present.

There has been an all around anxious scrutiny of the economic structure of the nations and the result has been to reveal a chaos of opinion even among experts. Mr. Hoover evokes changes—no brain trust for another when results are not those hoped for.

Accurate knowledge is needed to start with and that is hard to acquire with the unending evolution that is going on. In harmony with the rapidly growing sentiment steps are even now being taken to make for a more even distribution of wealth to bring poverty in the midst of plenty.

Sincerely, F. W. Gerhart.

Definite dates for the Art Exhibit have now been set for March 25 and 26.

Do not miss this excellent opportunity to see some very fine pictures and various specimens of art. Wood carving, etching in Copper, Wool work and Embroidery, portraying Western scenes, etc. Lectures on art, by Maj. or Norbury of Edmonton Technical School.

Mrs. F. Jones and Mrs. M. B. Garrett

## EARLIER YEARS

Strathmore, Nov. 15, 1922—Work on the curling rink is now progressing, the roof is being erected by M. S. Hirtle, the contractor.

Nov. 22, 1922—Editor McKenzie comments on the death of Bob McWard, editor of the Eye Opener. Summing up this, many did not agree with his opinions, but there is no doubt that he was a force for good in the community and that his jokes and quips made many happy. He will be much missed.

Ardmore, Nov. 22, 1922—The 2nd annual meeting of the U. F. W. A. on November 2nd was a decided success. Mr. Murphy, teacher of Service Berry opened the bazaar in a few well chosen words.

Mrs. Knyvet, Miss Hoyle and Miss Leiger were special guests at the U. F. W. A. meeting held at the home of Mrs. Horlick Nov. 14. May Gothard presented a report of 100.00 realized from the bazaar held Nov. 2nd.

Nightingale, Nov. 20, 1922—Nightingale of Nightingale Ladies Aid are to be commended on the successful supper and social which they gave in the hall at Hawthorn, the 2nd 21st October at 7:30 pm. At the earlier part of the proceedings and J. W. Arves at the altar, Messrs. Hilt and Putnam rendered a duet, vocal, forty. The R. H. H. sang pretty and charmingly. The choir, Messrs. Moore and Fred Nelson, Mr. Lokenhart gave a humorous reading and the following ladies and gentlemen sang excellent 5 minute exercises on the subject, Rhonda Woman. (Promotion, Mrs. Clarke and Messrs. John, McKenzie, L. H. Anderson, T. Fowl, V. Bennett and M. H. Bennett.

## ROCKYFORD

The Rovers celebrated their first birthday recently with a banquet held in their new club house. Visiting Rovers from Standerd were their guests. Mrs. Barker presented them with a birthday cake on which rested one candle. Speeches were heard from members of the Scout Association.

Mrs. L. W. Pomroy who has been very ill for the past three weeks is now progressing very slowly. We are sorry she is still unable to receive visitors.

The Ladies Aid met in the Church parlors on Thursday afternoon. The treasurer reported that the sum of \$18.00 was the receipts of the Bazaar Social held recently. It was decided that during the month of March each to earn a dollar for the Aid funds. The next meeting to be with Mrs. Bradwell on Thursday March 1.

Mrs. E. Roberts spent the week end in Calgary to be able to attend the Welsh banquet on Friday evening.

Miss A. Patterson spent the week end in the city.

The series of bridge put on by the members of the Girl Guide Committee commenced last Wednesday when Mrs. D. R. Poole entertained four tables, while on Thursday evening, Mrs. W. Carpenter entertained at two tables of bridge. The money is for funds to

In-Vancouver

be used for the Guide Fair.

Now that winter is with us again the curlers are busy trying to play off the first competition.

Dr. and Mrs. P. Yarnmarko spent Sunday in Calgary.

Harvey Birt was the winner of a pair of fancy pillow cases and L. Sangster the winner of a table runner at the Tomlinson dance at Tudor.

## NAMAKA

Mrs. Jack McElroy of New Dayton spent last week the guest of her mother Mrs. Johnson.

Mrs. Fred Watts of Champion visited with her parents Mr. and Mrs. Brown during the week returning to her home on Sunday.

The bridge club met at the home of Mr. and Mrs. Copey on Wednesday. The winners of the highest scores were Miss J. Little and Mr. Gerald Copey.

Miss Mary Louise McElroy entertained Saturday, the occasion being her birthday. The guests included Messrs. Dorothy Copey, Pay Harwood, Margaret Connors, Merle B. Burt, J. Little, Harwood, Billie Brown, Miss Schumann, Games and guests were played and all enjoyed a jolly afternoon, finishing the usual with delicious cake.

Mrs. Merrien arrived from Calgary Friday and will reside on her farm. Mr. Anton Christensen has rented her farm for the coming season.

Mr. and Mrs. Whitman and family left Monday for the Keoma district and will operate the farm recently vacated by Mr. Sid Alltop.

Nurse Helen Thomson of Minden, Nebraska arrived Monday and will take care of her father. We all wish him a speedy recovery.

A family reunion was held at the home of Mrs. F. Wheeler and Loy on Sunday. Relatives included Mr. and Mrs. Otto and family; Mr. and Mrs. Lita and son; Mr. and Mrs. H. Hanson and family; Mr. and Mrs. J. McElroy and family.

## CROWFOOT

A large circle of friends gathered at the Crow Foot School on Wednesday evening of last week in compliment to Mr. and Mrs. P. A. Patching on the occasion of their 25th wedding anniversary. Some extremely fine and enthusiastic games of court, which were played during the first part of the evening, resulting in Mrs. Christensen winning ladies high score and Mrs. Hansen winning gent's high, while consolation went to Mr. and Mrs. E. C. Cunniff of Tudor. During the refreshment hour, Mr. and Mrs. Patching were presented with some beautiful pieces of silver and also the sincere well wishes of the community, to which Mr. Patching on behalf of himself, Mrs. Patching and family expressed in a few well chosen words his thanks and appreciation. Dancing was much enjoyed until the wee small hours and the happy evening was finally brought to a close when the guests circled around the bride and groom of twenty-five years, singing. For they are jolly good fellows, and Auld Lang Syne.

Miss Edith Patching of Calgary spent a very pleasant few days at the home of her parents, Mr. and Mrs. P. A. Patching.

## Three Major Canadian Problems

Tariff, agriculture and railway situation discussed by E. W. Beatty, K.C., LL.D., Chairman and President, Canadian Pacific Railway—Urges unified effort to solve questions threatening integrity of State.

A tariff structure based solely upon the amount of duty upon the products of the country; a deeper appreciation of, and more active application of, agricultural problems; and the modification of Canadian railways for the purpose of operation as the only means of overcoming the present disastrous and strenuous conditions created through public ownership, were the three major themes emphasized by Mr. E. W. Beatty, K.C., LL.D., Chairman and President, Canadian Pacific Railway, during the course of a forenoon session of the first annual meeting of the Canadian Railway Association, held at the Hotel Vancouver, last night.

Mr. Beatty, in his address, pointed out that the Canadian railway situation was a problem which they receive, and that the Government, in its policy of public ownership, was in a position to solve it. He pointed out that the railway problem was in reality the problem of every individual citizen. The cost to the public in freight charges of moving a ton a mile in Canada was as low as in any other country in the world. Unhappily, the full advantage of these low rates was not realized, because of the fact that the railways were not being operated in a manner which would permit them to be paid, to meet the annual freight charges. The Canadian Pacific Railway must be added to the list of the railways which are not being operated in a manner which would permit them to be paid, to meet the annual freight charges. The Canadian Pacific Railway must be added to the list of the railways which are not being operated in a manner which would permit them to be paid, to meet the annual freight charges.

Mr. Beatty emphasized the necessity of a unified effort to solve the railway problem. He pointed out that the railway problem was in reality the problem of every individual citizen. ### TEARING THE LEAVES FROM THE CALENDAR

When the month has expired and you tear the sheet to give precedence to the incoming month what thoughts flit through your mind? Do you consign the sheet to the waste paper basket or the store or keep it for the children as a blank sheet on which to draw pictures or "do" questions in arithmetic? Do you recall the

happy hours you have enjoyed in the companionship of friends or a good book, the opportunity that has come your way of reading or seeing real kindness which has made you glad and all the while look bright?

Perhaps the open door of opportunity upon whose tide you have floated down through the years has come to you and you are duly grateful. Perhaps the month has seemed to fill your cup over full with income, disappointments and trials, some fraught by thoughtlessness, but hurting none the less, and you tear the past month and look with hope and renewed courage to a new month, in which with determined effort and hope you strive to overcome and win through. That the new month shall contain more of smiles than of sighs.

Character is built by the little deeds of every day, and they count within our grasp so much more often than the big momentous peak events. All are architects of fate. We build in those weeks of time, some with massive deeds and great some with ornaments of rhyme.

For the structure that we raise, Time is with materials filled. Our todays and yesterdays Are the blocks with which we build. Longlive!

PATRONIZE OUR ADVERTISERS  
IT WILL PAY YOU

Some bright day to come — was suggested by officers of the Canadian Pacific Railway, and their figures tallied closely with those given by the late Sir Henry Thornton, who, upon the formation of the Canadian National Railway, estimated that the cost of transportation in Canada was not as cheap as it seemed to be, or as it should be. Two concrete suggestions for improvement in operating efficiency were, first, the adoption of modern railway equipment, and secondly, a drastic reduction in wages. Owing to the huge investment in expensive equipment, and the difficulty of finding capital to finance new equipment, he indicated that progress along the lines of the first suggestion would be necessarily slow.

Mr. Beatty argued strongly against reduced wages, and pointed out that railway employees spent wages as well as earned them. He felt that railway as well as other wages were out of line with the returns to the farmers for their labor, but emphasized his belief that the remedy lay in an increase in the farmers' earnings rather than a lowering of the standard of living among railway workers.

Another suggested solution was the proposal to increase freight rates. The freight rate trend was downward, and Mr. Beatty would greatly regret to see an increase in rates until everything possible was done to eliminate waste. The argument that there was no waste in transportation and all that the country needed to do was to avoid the return of property was not, Mr. Beatty considered, correct. Restoration of business to the high levels of 1929-30 would not come as a gift of heaven, or a result of national unity, but only as a result of individual effort.

Mr. Beatty reminded us that the railway problem was in reality the problem of every individual citizen. The cost to the public in freight charges of moving a ton a mile in Canada was as low as in any other country in the world. Unhappily, the full advantage of these low rates was not realized, because of the fact that the railways were not being operated in a manner which would permit them to be paid, to meet the annual freight charges. The Canadian Pacific Railway must be added to the list of the railways which are not being operated in a manner which would permit them to be paid, to meet the annual freight charges.

NAMAKA SCHOOL TOTALLY  
DESTROYED BY FIRE

—O—

The Namaka school, built contents were completely destroyed by fire on Wednesday evening. The building was a good one having been built in 1928 at a cost of \$7,000.

There is some insurance on the building and contents, but whether the loss will be considerable and is as yet unascertained.

The school board in session as we go to press has decided to rebuild the school and to have it ready to open on Monday next.

It is thought the fire started from over heated furnace pipes.

Concerts, etc. \$20.00

Main Hall and Dining Room for

Dances \$25.00

The rates for the Dining Room will remain as formerly, viz:

Meetings \$ 5.00

Card Parties, Dances, etc. with use of

Kitchen \$7.50

## NAMAKA FARM

On Saturday night the Gen. Bible School, a group of 22 young men and women together with their teachers, O. Hubert and O. Thibodeau, presented a most inspiring program in our church. The story of the Apostle Paul's life, his persecution of the Christians, conversion, defence before Agrippa and Festus and death was faithfully presented, by the young men. The songs rendered were particularly chosen to fit the theme. The able dialogue, characters, together with other interesting points made up the program. The same program was presented at Crookston on Sunday. We wish the Gen. Bible School and teachers success in their further work.

Henry Thibodeau was home during the week end. He is attending Normal at Calgary.

Miss L. Brown returned home last Saturday. She had been visiting friends at Glen.

Miss J. Thibodeau left Sunday night to accept a position near Blackie.

IN MEMORIAM

In ever loving memory of Ada Ann Gill Derry, beloved wife and mother, who passed from this plane March 9, 1934.

"We cannot feel that our task is over. And when the sweet angel shall see us not we shall be waiting stand, And wait against the evening star, The welcome of thy beckoning hand."

Whitney

Ever remembered and sadly missed by husband and children.

TAR SAND POSSIBILITIES

Good news for better roads for Alberta's highways is contained in the following item from the Edmonton Journal:

"The signing of the agreement between the Dominion government and Max W. Bill of Denver stimulates greatly once again the hope, realization of which has been so long deferred, of development on a large scale of the McMurray tar sands. That this had been thought definitely within the range of possibility was stated last fall by the Alberta publicity Dept. in reviewing the province's economic prospects. Much good work has been carried on during the past two years and more in investigating the problems that the field represents and while patience in awaiting results has been required, there has never been any reason to doubt that they would eventually forthcoming in substantial measure."

The bituminous sands along the Athabasca are now recognized as the greatest known deposit of asphaltic material according to an article that was contributed to the Canadian Geographical Journal not so long ago by Sydney C. Ellis, who was sent there by the Dominion mines branch in 1913 and has been almost constantly engaged since then in studying and experimenting with the sands. They should, he holds, be regarded "strategically as well as economically as well."

one of the great potential resources of Canada." If Mr. Ellis goes on to say, our tar sands supplies of asphalt should be considered on an out-of-the-ordinary basis, the resulting deficiency could be made up from the McMurray field. Theoretically it "could supply the world's requirements for a long period of years."

Yesterday's news indicated that very real progress is being made towards the utilization of these vast stores of natural wealth and more information regarding what is planned will be eagerly awaited.

## LOCALS

The last in the series of afternoon bridge parties was held Wednesday at the home of Mrs. A. D. Strathmore. The high score for the series was held by Mrs. Whiteside, Mrs. Van der Loop and Mrs. Strathmore. Mrs. N. G. Gauthier was awarded the consolation. The games have been much enjoyed, and the guests lingered over the coffee and tea to break up the party.

Endearing radioframs requested by hockey fans for their favorite teams. The use of the radio is daily finding varied avenues for expression as proven when a Glenchee hockey fan asked a Calgary station to play in compliment to the Strathmore Hockey Club. Out in the Cold Again. Not to be outdone a Strathmore fan, exulting by seeing the station to return the kind words by playing for the Glenchees. Your Nothing But a Nothing—a Nothing—a Nothing.

The Provincial Government has invited Mr. Aberhart to go to Edmonton and make a clear and detailed account of the working of Social Credit. Secretaries, Book keepers, etc., to be furnished him to make a complete report of his plan of Social Credit and adopting it to the needs of the Province.

RED WINGS ELIMINATED  
BY LETHBRIDGE

—O—

The Red Wings played a tie game with Lethbridge Maple Leafs in the second game of the semi-finals, with a 5-5 score, losing the round 8-10.

The Wings put up a game fight in this game and many times it looked as if they would capture it, forcing all the play while Lethbridge played a defensive game, but made the breaks they got pay, scoring on most of their rushes. Steve in the Lethbridge net played a stellar game, considering the shots made on him, with letting only 5 get past.

BOY SCOUTS

Keep Friday, March 15th clear to go to the dance at Rockford in aid of the Boy Scouts Fund.

The movement covers the world, and brings the youth of nations into a great union directed by the single idea of play made worthy because it has a purpose.

Honesty, courage, resourcefulness, clean living and kindness—these are the lessons which the Scout teams. Can any of you suggest what more we can do to help our nation and the world than to teach these?

## Important - TO WHEAT GROWERS

UNDER WHEAT GRADING REGULATIONS COMING INTO EFFECT AUGUST 1, 1935 THE MATTER OF PURITY OF VARIETY IS ONE OF PRIMARY IMPORTANCE.

REGARDLESS OF WHETHER YOUR WHEAT BE MARQUIS, GARNET, REWARD "22" OR ANY OTHER VARIETY, IT IS DESIRABLE FROM A MARKETING STANDPOINT THAT IT BE UNIFORM IN TYPE. EXCESSIVE ADMIXTURE ONE WAY OR THE OTHER WILL BE LIABLE TO GRADE PENALTIES UNDER THE AMENDMENT TO THE CANADA GRAIN ACT.
